**Summary of Legislation:** This bill requires the Department of Child Services to pay 100% of the expenditures made from a county's Family and Children's Fund. It eliminates the duty of a county to enter into a temporary loan or issue bonds or other obligations to provide for the difference between the amount levied and the amount needed to pay for child services.

The bill eliminates the duty of a county to impose a property tax levy for the County Family and Children's Fund and reduces any county adjusted gross income tax rate or county local option income tax rate that was imposed to fund the growth in the costs paid from the county Family and Children's Fund. This bill also makes an appropriation.
